... after 7 years

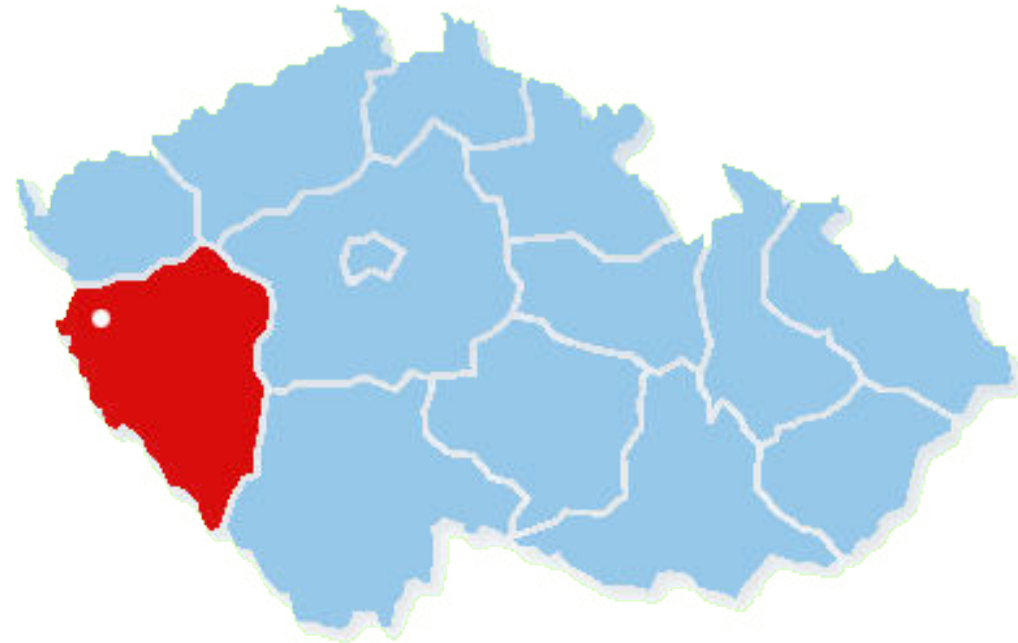

**2015:**

20 trained project participants

**2022:**

3 of them are nature guides

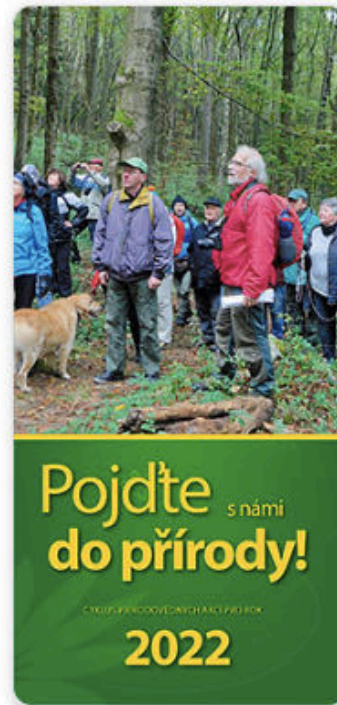

4 of them are guides in cultural and historical objects in the region.

# Annual calendar “Let’s go to the nature!”

In western part of Czech republic there is 1 long-term project paid from many sources, and that is the annual calendar "Let's go to the nature". The area covers 2 regions (Karlovy Vary and Plzeň) and 2 protected landscape areas (Český les, Slavkovský les).
